

Geneva Enterprise Development Center

122 N. Genesee Street, Geneva, NY 14456

August 24, 2015

To Whom It May Concern,

D.E. Miller Co. recently completed a 22,000 SF roofing project at the Geneva Enterprise Development Center. This project was completed on time, under budget, and with no problems or issues. The employees of D.E. Miller Co. were courteous and professional, and the owner, Dennis Miller, was on site on a daily basis throughout the project. We were very satisfied with this project and would not hesitate to use or recommend D.E. Miller Co. in the future.

Sincerely,

A handwritten signature in black ink, appearing to read 'RB', with a long horizontal flourish extending to the right.

Robert Brown
Site Coordinator
